

Mohawk Fight Song – “Swift as the Wind”

Swift as the wind
Like rockets shooting out through space
Free as the summer breeze
Mohawk is the team for me

Swift as the bird
The great outdoors will be my homeland
I wonder where I'll be
Mohawk is the team for me

We fight together until we reach the top'
For we are proud as we can be
For in battle or in peacetime
We're strong as we can be, for we are

Swift as the wind
Like rockets shooting out through space
Free as the summer breeze
Mohawk is the team for
Mohawk is the team for
Spacemen onto Victory!
